

Hello!

The Business Issues Focus Groups have been very well received, and evolved into the new format largely in response to your input. So that we can continue to cover topics that are meaningful to you, we again ask for your ideas. Below is a brief survey. Please take a few minutes to complete it and return it to the chamber by no later than **November 9**.

Thanks.

<b>Business Issues Focus Groups</b>	<b>Agree Strongly</b>	<b>Agree</b>	<b>Neutral</b>	<b>Disagree</b>	<b>Disagree Strongly</b>								
The current format, with small group discussions followed by discussion and ideas from the group over all, fits my needs well.													
I'd prefer a format with an expert presenter followed by a group discussion.													
I'd like to see the Roundtables held more often than the current 4 times a year.													
I'd attend more if it were held at this time of day.	Breakfast		Lunch		Evening
