Batavia Enterprises, Inc. Announces New Business Entity: Batavia Enterprises Real Estate, LLC

Batavia Enterprises, Inc. (BEI), a locally owned leasing and property management company, is pleased to announce the formation of its new business entity, Batavia Enterprises Real Estate, LLC (BERE). This new company is a full service real estate firm serving the Fox Valley.

According to Gerry Dempsey, BEI Chairman & CEO, "After 52 successful years of managing our own real estate portfolio, we have decided to venture out further into the real estate world. Under our new company, Batavia Enterprises Real Estate, LLC, we will now manage, lease, sell, and buy real estate for other companies and individuals."

In addition to his role at BEI, President Dan Stellato will lend his leadership to BERE, LLC as its Managing Broker. BERE, LLC will focus on three specific areas: Complete brokerage services offered for commercial and residential properties; third party property management services offered to commercial owners; and finally, consulting services for land development and annexation agreements. "BERE, LLC is a natural expansion of our business. We've been involved in property management, buying and selling our own properties, and working with various local governments for decades. A strong team of seasoned real estate professionals is in place, and has hit the ground running. BERE, LLC has listed the Mooseheart Medical Facility, and we're thrilled with the interest from agents and their clients" stated Stellato.

For over 50 years, Batavia Enterprises, Inc. has been meeting the real estate needs of customers throughout the Fox Valley. The company has been awarded and recognized for restorations of historic buildings in addition to providing new buildings to keep up with market demand. With properties in Batavia, Geneva, St. Charles, West Chicago, and Elburn, BEI offer new and historical buildings for lease in all five categories of the rental market: residential, retail, office, warehousing and manufacturing. BEI also offers development sites in Rockford, Sugar Grove and throughout the Fox Valley along Kirk Road, Route 38, Route 47, Main Street and Randall Road in Batavia.
