## **Batavia Enterprises, Inc. Donates Space to Marine Toys for Tots Foundation**

**Batavia Enterprises, Inc.**, a locally owned property management and development firm, is proud to again donate space for the local Marine Toys for Tots Foundation. For the fifth straight year, Batavia Enterprises is proud to support this community wide campaign by donating warehouse space.

The 5,000 sq. ft. facility provides a central location for the Fox Valley division of Toys for Tots to organize the toys by age group, and allows for expediting of orders. This year, the Fox Valley Toys for Tots program anticipates providing nearly 5,000 families with toys for children of all ages, from infant to mid-teen.

In 2010, there were 250 drop off locations to make it easier for citizens to drop off new, unwrapped toys. The volunteers work hard to make sure that toys picked up in a specific town are distributed to families of need within that town.

According to Patrick Kackert, a U.S. Marine Corps Reserve Officer and President of Restoration Techs, and one of BEI's customers, their operations center is an official 2011 designated drop off location. All new, unwrapped toys can be dropped off at their downtown Batavia location at 129 Flinn Street, between 9:00am – 5:00pm or you may contact them at 630-761-4900.

Restoration Techs has over 25 years experience in emergency mitigation, restoration and re-construction for properties affected by catastrophic loss, and is a long time supporter of the local community.

For over 50 years, Batavia Enterprises, Inc. has been meeting the real estate needs of customers throughout the Fox Valley. The company has been awarded and recognized for restorations of historic buildings in addition to providing new buildings to keep up with market demand. With properties in Batavia, Geneva, St. Charles, West Chicago, and Elburn, BEI offer new and historical buildings for lease in all five categories of the rental market: residential, retail, office, warehousing and manufacturing. BEI also offers development sites in Rockford, Sugar Grove, Wasco and throughout the Fox Valley along Kirk Road, Route 38, Route 47, Main Street and Randall Road in Batavia.
