## **Batavia Enterprises Proud to Donate the Use of Land for the Food Pantry**

Batavia Enterprises, Inc. makes a continuous effort to help the local communities in any way we can, so the recent decision to donate the use of a parcel of land for a community garden was an easy one. Not only will the garden project educate interested citizens on the health benefits of homegrown produce as well as how to create their own successful home garden, but the finished product will also be given to the Batavia Interfaith Food Pantry. A sponsorship between Batavia Enterprises and the city of Batavia, along with volunteers from Batavia MainStreet, the Batavia Environmental Commission and Batavians for Clean Energy and Conservation is what made this project possible. In a time when our local community is in need, Batavia Enterprises is proud to step up and assist in creating a positive outcome for everyone.
