## **Batavia Enterprises Welcomes Restoration Techs to Flinn Street**

Batavia Enterprises, Inc., a locally owned property management and development firm, would like to welcome Restoration Techs, Inc. to Suite 129 of Flinn Street in Batavia. Restoration Techs is an independent, full service restoration company offering emergency mitigation and restoration services for properties affected by water, fire, smoke, sewage, mold and storms. Their emergency response teams are available 24 hours a day, 7 days a week.

For over 25 years, Restoration Techs has been providing top quality service, earning it an exemplary reputation among its clients, customers and peers. Restoration Techs' certified, caring technicians have the knowledge, expertise and professional experience to deal with all types of property losses and disasters; large and small, residential and commercial.

After 50 years in business, Batavia Enterprises continues to bring new life and quality tenants to the beautiful historic buildings within the tri-cities. "We believe that our long-term growth is dependent upon building extraordinary relationships with our clients, employees and the communities that we serve," says Antonietta Kackert, Director of Marketing. "We selected the 129 Flinn Street site as our place of business because of the convenient location in the heart of historic downtown Batavia, and for its current and future growth potential. This strategic location not only allows us to serve our clients better, but also allows us to better serve and support the local community."

In addition to restoration services, they also offer carpet cleaning and full re-construction services. For more information, please visit their website at [www.restorationtechs.com](http://www.restorationtechs.com) or call (800) 600-3594.
