

BEI

In their third generation of ownership by the Dempsey family, BEI Properties continues to rehabilitate, maintain and manage real estate. Known for being customer service focused, community supportive, historical preservationists, BEI Properties carries on the tradition into their 60th year in Business.

Just under one million square feet and approximately 50 commercial and residential properties is owned and managed by BEI Properties. The portfolio consists mostly of commercial properties that include warehouse, industrial, retail and some residential space, located in Batavia, Geneva, St. Charles and West Chicago.

The firm also manages properties for third-party owners and handles any commercial selling and leasing. One branch of the firm, BERE, LLC (Batavia Enterprises Real Estate), is a full-service brokerage, third-party management and municipal consulting firm.

In 2017 BEI Properties expanded by acquiring Miscella Real Estate of Geneva. Operating as a boutique residential real estate firm centered on client care that goes beyond the “big box” approach, over 91% of Miscella’s business is earned through referrals.
