

The Balmoral Restaurant

The Balmoral Restaurant is influenced by traditional Scottish comfort food, prepared with the same care as in your grandmother's kitchen.

The warmth immediately welcomes you as you walk up our red carpet past the piper into Balmoral Restaurant. Once seated, enjoy the beautiful Royal Albert China, gold-plated cutlery and crystal glasses, into which you may pour one of our rare whiskies, or award-winning wines.

Balmoral's attention to detail leaves you with a feeling that can only compare to your granny's kitchen table...a warm aroma fills the air as our freshly made fare comes out of the kitchen. Balmoral's food is homemade with care and patience. Enjoy!
