

Brighton Garden Assisted Living

More than 35 years ago, Paul and Terry Klaasen founded Sunrise based on a clear mission, *to champion quality of life for all seniors.*

Brighton Gardens of St. Charles, a Sunrise community, is more than just a senior living community. Brighton Gardens is a “home” created by our residents, families and team members who together, through the delivery of individualized care, **Living with Purpose** programming and the **Comforts of Home**, create and share the **Joy of Everyday**.

Sunrise team members care and serve our residents based upon our *Principles of Service*. In all that we do with one another, we will **Preserve Dignity, Nurture the Spirit, Celebrate Individuality, Enable Freedom of Choice, Encourage Independence** and **Involve Family and Friends**.

The lengthy tenure, over 10 years, of many of our team members, demonstrates their love and dedication to our residents, their families and their heart to care for seniors. We can teach anyone how to complete a process or task, but we cannot teach someone how to love. Sunrise is blessed not only with precious residents and families, but with treasured team members, as well.

Come and visit us for a tour or enjoy our upcoming Tour of Homes event in June. You are always “welcome home” at Brighton Gardens of St. Charles.
