

# Business to Business Greeter

The B2B Greeter program is a unique opportunity to partner alongside of the Chamber as we welcome new businesses into our community. We have a customized tote bag, which has a greeting letter from the Chamber, and information on the St. Charles community, that we personally deliver to new businesses or those with a change in ownership. We also welcome our members to join our program by paying a flat rate of \$150 per year to reach an estimated 200+ new businesses in a calendar year. If you are a business that thrives on making connections, providing services, or building other businesses, this program is a great way to reach new ground. We also send out a monthly list of the contact information of those we meet so that you have built in leads. We want to help you expand your brand awareness and build relationships so that we can become a stronger business community.

*This program is included in the Platinum, Gold, and Silver Memberships, and Bronze Members have a 25% discount. However, we do ask that all fill out this form to participate.*

**To join this program, all you need to do is:**

- 1) Fill out the tear off form below
- 2) Pay the applicable annual flat fee
- 3) Give the Chamber 250 promotional items (these can be flyers, 3-dimensional items like stress balls or office supplies, booklets, or business cards, as long as they are reasonably sized)
- 4) Then relax as we take care of finding the businesses, packing the bags, delivering them in person, and emailing you a monthly list of the contacts so that you can follow up with them in your own time.
